Appointment of Wells Harbour Commissioners

We are seeking to appoint two high calibre individuals with an interest in public service to fill vacancies on the Wells Harbour Commission.

The role is an honorary position and is usually held for a period of 3 years. The individuals appointed will serve from January 2023 and be expected to attend 6 evening meetings of the Commission annually.

Trust ports differ from company or local authority-owned ports by their constitution and powers. All port activities are funded from activities and services within the harbour with a remit to manage, maintain and improve the Port of Wells. Members of the Commission have a range of local or specialist interests and are typically also members of local authorities, port-users or involved in shipping or other stakeholder groups.

The successful candidates will be able to demonstrate a proven track record in their chosen profession or other activities, such as community work. Formal qualifications are not essential, but applicants will need to demonstrate that they have the relevant experience and a genuine interest in the Port, be it from a commercial, employment, recreational or conservational perspective. Familiarity with issues affecting Wells and the surrounding region is highly desirable.

Wells Harbour Commissioners is committed to attracting and recruiting people who are best suited to meet the requirements of our vacancies without regard to race, ethnic origins, colour, sexual orientation, nationality, disability, age, religion or belief (or lack of), gender or marital status.

If you are interested in being considered for appointment as a commissioner, please contact Simon Cooper by e-mail at harbouroffice@weelsharbour.co.uk or write to the address above.

Closing date for correspondence: 18th November 2022

Closing date for applications: 25th November 2022
